Sir:

In compliance with 37 C.F.R. §§1.97 and 1.98, Applicants bring to the attention of the U.S. Patent and Trademark Office the information listed on the enclosed PTO/SB/08A and/or PTO/SB/08B forms. A copy of the information, if required, is also enclosed. Consideration of the information is requested under 37 C.F.R. § 1.56 and this information is submitted in accord with the provisions of §1.97(c): after the period specified in §1.97(b) but before the mailing of a Final Office Action, or a Notice of Allowance, or any other action that closes prosecution.

U.S. 4,799,346, submitted herewith, is submitted in place of U.S. 4,799,376, which the Examiner recognized as being the wrong patent number. Applicants apologize for any inconvenience.

The Form SB-08B lists the International Search Report and Written Opinion. Applicants understand that Examiners will consider these documents when submitted with an Information Disclosure Statement, but that they are often crossed off the Form SB08B since these documents normally aren't listed on the front of a patent. Therefore, if they are crossed off, it will be assumed

that they have been considered by the Examiner unless specifically indicated on the record that they have not been considered.

EP0525690B1 is in German, except that the claims are in English. Applicants will provide a translation at the Examiner's request.

Applicants note that WO 00/64670 was previously called to the USPTO's attention. Therefore, it is not cited a second time.

The PTO is authorized to charge the fee set forth in 37 C.F.R. §1.17(p) to Deposit Account No. **04-1928** (E. I. du Pont de Nemours and Company) in order to complete the requirements for consideration of this Information Disclosure Statement.

Respectfully submitted,
